Pari-Mutuel Tax.

The total tax received from the amount wagered on the race tracks in Alberta last year amounted to \$39,628.00, and after allowing a fifty per cent commission to the Edmonton and Calgary Exhibitions (in lieu of the usual Provincial Grants) totalling \$11,228.59 and a net amount of only \$25,828.47 accrued to the Province.

In 1935 there were twenty-eight days racing compared with thirty in 1934 and in the former year the sum of \$792,560.00 was wagered as compared with \$839,046.00 in the former year.

The Dairymen's Act.

By an amendment to the above Act, being Chapter 84 of the Statutes of Alberta 1935, provision was made for the passing of regulations governing the issuance and cancellation of licences for motor vehicles used for carrying cream to creameries and the fee payable thereon, and in pursuance of the said Statute an Order in Council was passed on June 10th, 1935, empowering the Provincial Secretary to issue and cancel licences, but no such licence shall be issued until there has been endorsed upon the application the approval of the Board of Public Utility Commissions and any such licence shall be cancelled by the Provincial Secretary at the discretion of the Minister or upon the recommendation of the said Board.

The registration fee prescribed by the said Order is \$1.00 and during the year 172 licences were issued.

THE COMPANIES BRANCH

During the year ended March 31st 1935 local joint stock companies to the number of 417 were incorporated as compared with 246 in the previous year. In the same period 493 companies which were incorporated outside the Province of Alberta were registered, as compared with 291 in the former period.

The increase in the registration of outside companies may be accounted for by the fact that the definition of "Carry on business" in the The Companies Act was widened at the 1934 Session of the Legislature to mean the transacting of any of the ordinary business of a "foreign company" whether by means of an employee or an agent and whether the company has a resident agent or representative or a warehouse, office or place of business in Alberta.

MISCELLANEOUS.

There were a number of registrations under various other statutes administered by the department, such as Churches, Co-Operative Associations, Co-Operative Marketing Associations, Societies, Change of Name and the Cemetery Act.

A large amount of miscellaneous work was performed, such as furnishing memoranda and extracts of various matters, supplying information from the indices and records, and the issuing of a large number of Commissions to Commissioners for taking Affidavits, Justices of the Peace, Notaries Public and Coroners.

Respectfully submitted,

Wm. W. G.
Deputy Provincial Secretary
